10th August 2023

Members,

European Events 2025 and onwards

As a follow up to the mailing of 29th May we are now seeking hosts for the sequence of events from 2025 onwards. These are as follows:

2025

European Men's Senior Championship which will also serve as the Qualifier for the 2027 World Championship.

European Sixes Championship (in the Winter period February – March).

Easter Women's Tournament

Ken Galluccio Cup (KGC) for both Men's and Women's club teams for a three year period (2025 – 2027)

2026

European Men's Box Championship / European Women's Championship (The Women's Championship being dependent on the level of interest in this event, if viable that intent is that it would be held at the same time and location as Men's Championship).

Easter Women's Tournament

EuroLax Sixes Cup

European Men's U20 Championship

Please note that interest has been shown in having a Men's box U20 Championship. The timing of this would have to avoid the Men's Box Seniors and as such would have to be in either 2025 or 2027.

Could you advise an “intent to bid” for any of the above events within the next two weeks to Joe Watts, ELF Secretary General, and further information and bid documentation will be forwarded. We are planning on bids being submitted by 18th October at the latest to allow for these to be reviewed at the ELF board meeting scheduled for the following weekend and then membership postal vote. As needed prior to the vote a webinar will be arranged to review bids.

Thinking beyond this we have:

2027

European Women’s U20 Championship

Easter Women’s Tournament

EuroLax Sixes Cup

Ken Galluccio Cup (KGC) for both Men’s and Women’s club teams for a three year period (2028 – 2030)

2028

European Women’s Championship

Easter Women’s Tournament

EuroLax Sixes Cup

It would assist if you could advise if you are interested in hosting any of these event prior to initiating the forma bid procedure.

Yours sincerely
